SPGS Graduate Student Conference Travel Awards 2020-2021

Below are deadlines and policies for requesting conference travel funds for the 2020-2021 academic year from the School of Politics and Global Studies (SPGS).

Requests should be submitted electronically to Jenna.Roelle@asu.edu. The Graduate Student Conference Travel Application can be found on the SPGS website at <https://spgs.clas.asu.edu/graduate-degrees/current-student-resources>.

Reminders:

All students who will be presenting a paper or other presentation at a conference or workshop, *regardless of whether they receive SGPS funding*, must hold a practice presentation at least ten days before departure for the conference. The student should arrange a time with their faculty advisor and/or committee to be present for the presentation and email Jenna Roelle with the date, time and location so that faculty and students can be invited.

All student travel must have accompanying travel documentation completed. Even if the trip is not funded by SPGS or ASU, the student must still complete a "Zero Dollar Trip" request on MyASU Trip for University insurance purposes. Instructions can be found at <https://spgs.clas.asu.edu/graduate-degrees/current-student-resources>. Please contact Thu Nguyen (P.T.Nguyen@asu.edu) for assistance in completing travel documentation.

Food/per diem costs will not be funded by SPGS.

Students are expected to apply to other funding sources (Graduate College, GPSA) in addition to SPGS. Each organization may partially fund a student's trip. Please reduce expenses whenever possible; share a room with another student, utilize public transportation, etc.
